The 2018 *WINTER WONDERLAND is almost here - Saturday 18th August

WINTER WONDERLAND is an extremely fun night where we celebrate our children at Grace with like-minded parents. You can purchase your tickets online through Flexischools.

We look forward to spending a special night with the parents in our school community.

Grace Primary P&F

"I Can, You Can, We all can, with ONE CAN"

Cans of Food for Bayside Community Care

This term our Chapel offerings will support the service work of the Bayside Community Care group.

This group is made up of volunteers from the Grace Lutheran Church congregation who prepare small food packages and hampers of non-perishable canned and packaged food items for families in need and homeless people in the Redcliffe area.

Your chapel offerings and donations of cans of food helps to support this organisation to assist others in great need. Please support our school's service focus for this term by encouraging your child to bring a can of food to school so that they feel a part of this BCC project.

Our focus BCC Chapel service is on Thursday 10 August.

THANK YOU!
