### After School Play on Dalton Oval

Parents are advised that after school play on the Dalton oval is at the parent's risk. We aim to keep a very positive relationship with our Peninsula Power soccer friends so we remind parents that if you are staying for a shared time on the oval, the students should not be near or climbing over the soccer goals or shade shelters or anywhere near the club house. Please also note, that any play time outside of the school grounds is not covered by our school insurance so your care is needing to be quite diligent. Your help supervising this will be appreciated. We do appreciate the sense of community Dalton oval play creates but ask that you are also aware of the risks involved. Thanks and regards, Trudy Moala
